RE: Revised schedule of Municipal Working Group Meetings

At the February 14th meeting of the TCC SPC, a schedule of the five Source Protection Area Municipal Working Groups was provided to all members. This schedule outlined meetings set by all five of the working groups between January and June 2011.

At the March 25th meeting of the Otonabee-Peterborough Municipal Working Group, the April through June meetings were rescheduled. The Otonabee-Peterborough SPA Municipal Working Group is now meeting on April 15th, May 13th, and June 24th. An updated calendar is attached to this report.
